

Intaka IslandTM
The natural heart of the city

NOVEMBER 2025

WELCOME, JUNIOR GUARDIANS OF THE WILD!

It's time to put on your explorer hat, grab your crayons, and get ready to protect the planet. This special Intaka Island activity pack celebrates World Nature Conservation Day and is all about learning how we can be guardians of the wild.

Whether it's helping to protect wetlands, learning about endangered animals, or discovering how to care for nature in your own neighbourhood. Every small action makes a big difference.

NATURE WORD SEARCH

Circle the words when you find them and
colour the pictures.

Planet

Hills

Tree

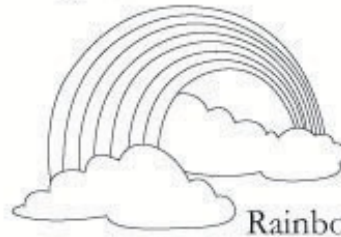

Star

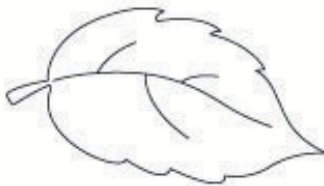

Moon

Sun

Rainbow

Leaf

Summer

Cloud

CREATE A "GUARDIAN OF NATURE" BADGE

Design and colour your own badge with a leaf, bird, frog, or tree symbol.

Write your conservation promise on the back (like "I promise to save water" or "I will plant a seed").

The natural heart of the city

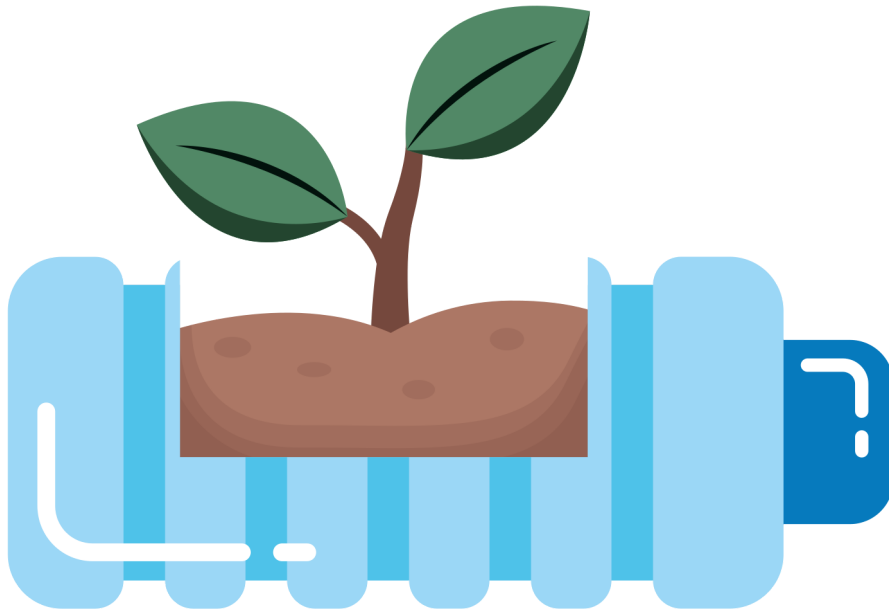

CREATE A RECYCLED ANIMAL CRAFT

Use toilet rolls, bottle caps, or scrap paper to make animals that live at Intaka Island — like frogs, owls, or butterflies.

PLANT A SEED & MAKE A GROWTH DIARY

Plant something simple like beans or herbs in a plastic container or yoghurt cup, and draw or photograph how it grows over time.
